Dear Parents,

As you know, maintaining the safety of every student at Hill is of paramount importance. In light of the recent tragedy in Connecticut, we are reviewing all of our policies and procedures that are related to safety and security.

One area of immediate concern is those students who are lingering at Hill, unsupervised, after the school day is officially over. Our school day ends at 2:55; according to DPS policy JLI, students are to be supervised by school personnel until 3:10. After this time, students are required to be with a teacher in an organized activity or immediately leave our campus and the surrounding neighborhood. Students who disregard policy JLI will be subject to disciplinary measures.

To help ensure the safety of your child, please make arrangements for her or him to ride the school bus, RTD, or be picked up by a responsible adult and taken home each day no later than 3:10. We know you will want to help us act in your child's best interest and safety. Therefore, no students will be allowed to wait or loiter around the school building or grounds after 3:10, unless they are in the direct supervision of a teacher or athletic coach. Likewise, students will not be allowed to attend athletic events, unless they are with a parent. If there is a logistical problem preventing you from picking up your child on time, please notify the main office so that we can intervene.

Exterior doors to Hill will be locked throughout the day, except for one entrance into the main lobby, and all visitors will be directed to the main office to check in and obtain a visitor's ID badge. After hours, visitors may need to call 720-423-9680 to gain entry to the building.

Thank you for your continued support of your Hill student. If you have questions or concerns, please call me at 720-423-9680.

Sincerely,
