Week of 9/17

## Principal's Memo:

How are we doing? We are about 30 days into the school year and we would like to hear from you! Please take few minutes to email/text me some feedback. Our teachers would also like to hear from you. A brief note from your child or a quick email of appreciation goes a long way.

At Hill, we strive to create a **joyful** and **academically robust** learning environment for all students that is **rooted in relationships**.

## OFFICE HOURS

We are committed to providing our students with an educational experience that prepares them for success in high school, careers, and college; therefore, we continuously strive to find ways to support all students. Every Tuesday and Thursday during advisory, each teacher will offer Office Hours for students who are missing assignments or have a D or F in their classes. Teachers sign students up for Office Hours and inform these students that they should report to their class during advisory. If a student misses Office Hours, they will get a notice to attend Working Lunch in the library. If a student misses both Office Hours and Working Lunch, they will be assigned a detention. Students who have no missing assignments, D's, or F's, will participate in Super SOAR activities during Tuesday and Thursday Advisory.

## COLLEGE 101 WORKSHOP

The Hispanic Scholarship Fund (HSF) invites DPS students and parents to attend the College 101 workshop from 5:30-8:30 p.m. on Sept. 19, at North High School. College 101 is a free bilingual workshop where students and families receive valuable information about how to prepare, plan and pay for college. Please check out this short video:
