

The Hill Informed
Week of 3/11

Principal's Memo:

Several parents shared positive and insightful emails this week about their experience and their child's experience at Hill. It is great when I can send these out for all of our teachers to read and know how much they are appreciated. Please keep them coming! Also, continue to email, text, and call about how we can get better.

At Hill, we strive to create a **joyful** and **academically robust** learning environment for **all** students that is **rooted in relationships**.

ART CLUB

This week, Art Club will help with set design for James and the Giant Peach instead of their typical Art Club activities. If you are an Art Club member and want to help with the set, please join us in the basement in Mr. Walker's room. If you are not interested in helping with set design, please stay tuned for when Art Club projects and activities will resume.

CUT IT OUT

"Cut it Out" will be an art-making parent/child event on March 20th from 5:30-7pm in Room 133. Please join us for a collage-making evening where you can cut and paste various pictures, colors, and patterns to create some fantastic and functional notecards and postcards to send to friends and family! It's easy, it's fun, it's free and it's a great way to create some cool art with your child! Collage is a fun way to play with art materials. All students must be accompanied by a parent/guardian. We hope you come and make some art with your student and stay for the Collage Concert afterwards at 7pm! If you have any questions, please email

6TH GRADE BOYS & GIRLS BASKETBALL

Students interested in playing 6th grade Boys and Girls Basketball should have a physical on file with the Nurse's Office and come ready to practice on 3/20 from 3:00-4:00.

SUPERSOAR & OFFICE HOURS

Beginning this week, Super SOAR on Tuesday and Thursday will be for students that have reached proficiency on 200+ Math IXL/Dreambox skills **AND** reached 80% of their independent reading goal in Q3. **Students must bring their student ID on Monday** so they can receive their Super SOAR sticker. As soon as students reach both goals in Quarter 4, they will receive their sticker and can participate in Super SOAR. Until students earn Super SOAR status, they will attend Office Hours or remain in Advisory to work toward their goals.
